

DO YOU QUALIFY?

As we approach the 'Honour Board' season, please remember that to win a 'major' you must have submitted a minimum of **FOUR** scorecards (via **Competition Play**) during the preceding **THREE** months.

This is to ensure that winners are those members who have had their handicaps scrutinised regularly by entering competitions.

Acceptable 'Competition Play' would be Official Competitions e.g. Monthly Medals or Stablefords, Combined Medals or Stableford (because the individual's score will be recorded), but not Matchplay competitions.

Note: If there are 4 or more temporary greens (2 or more for Ladies), the competition is considered non-qualifying for handicap purposes.
