

# **Appalling Weather Conditions**

**Due to the number competitions being cancelled due to the appalling weather conditions. The Committee has decided that unless the course is closed, all competitions will take place and prizes played for.**

**If there are four or more temporary greens (2 or more for the ladies), the competition has to be designated as 'non-qualifying' for handicap purposes and can not be counted towards the Order of Merit Championship or the number of 'qualifying rounds' as per Competition Rule 4.1 (see Rule 4.2.1 & 4.2.2).**

**In this way, competitions will not need to be rescheduled to a later date and therefore release those weekends for members to play their Knockout matches.**
